

A person is walking from left to right, carrying a massive, overflowing bouquet of red roses. The bouquet is so large it obscures their upper body. They are wearing dark shorts. The background shows a building with a balcony and a doorway.

# MEMBER BENEFIT HOME LOANS

## Exclusive Member Pack

A mortgage is one of the biggest financial commitments you will make in your lifetime. Done correctly, a mortgage can buy you your first home, finance your investment property and start a business to secure your future.

- Handled poorly though, and you can be paying off debt most of your life.
- At ONE10, we don't just find you the best product at the best pricing. We take the time to understand your goals for both the short and long term, and we work with you to achieve that. Via our partnership with Member Benefits, you can be assured of the best service levels and the best advice available on the market.

*"Because the little things count"*
